Dear Dr. Pezzoli:

Thank you for your support at the Regional Comprehensive Plan (RCP) Workshops. We appreciate your assistance in putting together the morphing slides that were used as part of the PowerPoint as well as loaning us your solid terrain model to use as a display at each event. Your contributions aided us in reaching our primary goal of obtaining local input from people throughout the region, and to build a sense of local ownership for the RCP.

In the remaining round of public outreach efforts to be held in the spring of 2004, we hope to replicate the enthusiasm and interaction of the residents who took time from their busy schedules to be involved and be heard.

Thank you again for participating in the RCP workshops and for your support of our efforts.

Sincerely,

GARY L. GALLEGOS  
Executive Director
